Click "WordPress sign up's pretest" linker to do their pretest on website.

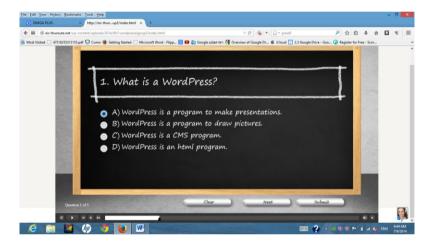

Press "Play" button to do the pretest.

Each chapter, I give some direction, you have to follow the direction then click "next"

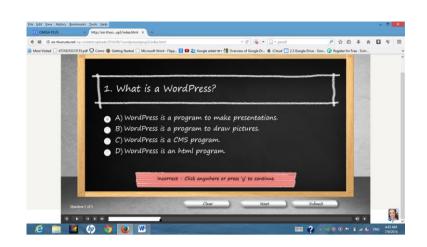

The first topic is consists of 5 items and 4 random multiple choices.

Choose the correct answer before click the "Submit" button then click "next" button to do the next items.

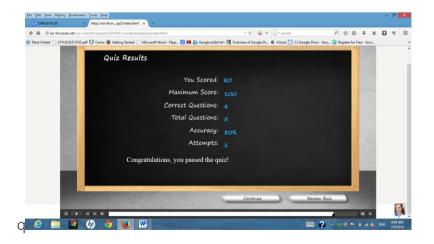

If you didn't choose the answer and click the "Submit" button follow it, the notice will show "You must answer the question before continuing".

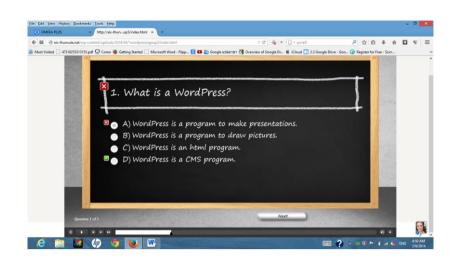

If you click the wrong answer the notice will show you again with "Incorrect- Click anywhere or press "y" to continue.

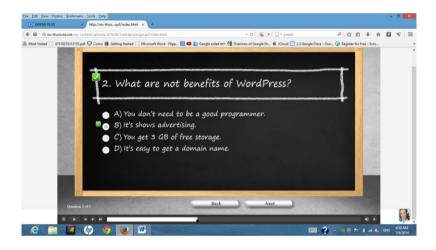

If you click on the right choice then the notice will show you "Correct – Click anywhere or press "y" to continue."

After you have finished doing the pretest, the quiz result will show you. If they want to review quiz then click "Review Quiz" button.

It means the topic one was a wrong answer, you choose "A" choice but the correct choice is "D"

It means the topic two was the right answer.
